

Alternative links to popular databases

The links below will work from on or off campus to provide the CTU community with some database access when the web site is offline or generating errors. Further questions? Contact Deb Winarski by [email](#) or at (773) 371-5463.

You can always access the Library catalog from here

For access to:

Academic Search Complete, ATLA Religion Database with ATLA Serials, GreenFILE, Index to Jewish Periodicals, New Testament Abstracts, Old Testament Abstracts, Newspaper Source, and other EBSCOhost products.

1. Click the EBSCOhost logo to the right.
2. Enter your library card number and last name on the authentication screen.*
3. You'll see a page asking you to "Select New Service." Click the first line, which says "Journal/ Periodical Searching"
4. Check the box next to the database you'd like to search and click "Continue."

JSTOR

Kanopy Videostreaming

Biblical Archaeology Society Library

Oxford Biblical Studies

Chicago Manual of Style

Oxford Academic Journals

Digitalia Hispánica

SAGE Publications

Alexander Street Press Videos

Project MUSE

**Off-campus users only. Note that this method is still dependent on the library server being online. It's only the library web site that it bypasses.*
